The above rooms will be held until **30 November 2017**.

Churchill College, Storey's Way, Cambridge, CB3 0DS is 1 mile (1.7 km) distance from the Department of Materials Science, 27 Charles Babbage Road, Cambridge, CB3 0FS taking ~20 minutes pleasant walk via the Institute of Astronomy, Madingley Rise, crossing Madingley Road (where there is a conveniently placed pedestrian crossing as Madingley Road can be extremely busy during rush hour). Having crossed Madingley Road, walk up JJ Thompson Avenue and turn right at the end into Charles Babbage Road. The Department is the last building on your left. [MAP](#)
The Reception at the Department of Materials Science & Metallurgy is open between 09:00-17:00hrs and outside these hours the Department is accessed by staff entry card only.

In January the weather in Cambridge is likely to be at it's coldest at 4C with max 6 hours daylight. Please bring suitable outdoor wear for wet and cold weather and comfortable walking shoes. However, we do have some lovely crisp sunny weather in winter and hopefully this will be the case for w/c 7 January.
